Colorado Springs rests at the foot of Pikes Peak, the mountain that inspired Katherine Lee Bates to pen the words of America's "second anthem," *America the Beautiful*. The purpose of this youth instrumental and choral festival is to share musical talent and forge international friendships. Space is limited, as only a few of the top musicians from the finest youth orchestras and choirs will receive this

coveted invitation. Participants will have the opportunity to work with nationally recognized conductors and clinicians and perform in wonderful settings throughout the Pikes Peak Region.

The Colorado Springs area is filled with inspiring opportunities for your group to experience the beauty of the Rocky Mountain Region. The Festival package includes a concert at the top of Pikes Peak, a trip to the world-famous Cheyenne Mountain Zoo and the Garden of the Gods. The schedule also includes additional sight-seeing time to visit some of the wonderful sites around the area such as Cave of the Winds, Manitou Cliff Dwellings, Air Force Academy Visitors Center and Chapel, Seven Falls, and United States Olympic Training Center. *Admission fees for these attractions are separate from the Festival package fees and are the responsibility of individual groups.* When we receive your registration, we will send you a menu of area attractions including fees and schedules. And of course, we will be happy to help you make arrangements to visit these amazing sites. Transportation will be provided for your sightseeing during the Festival. Transportation arrangements may be made *at your own expense* for sightseeing following the close of the Festival.
