

## Beginning strings instruction for

Grades 3-8 2017-2018

(Grade 2 only with previous experience on an instrument)

Violin, Viola, Cello, Bass

The Mozart String Project (Little Mozart) was started in 1994 by the Colorado Springs Youth Symphony in response to requests from families who lived in school districts without elementary string programs. Students come to class at one of five locations for 1 hour, 2 days a week and have multiple concerts and recitals throughout the year. We also perform with and can feed into the 6 Youth Symphony audition groups. NOTE: Our top Youth Symphony audition group has performed throughout Europe, Asia, and Australia.
