Flute Audition Music

We prefer that each auditioner prepare 2 of following excerpts, following tempo to the best of their ability. Choose the excerpts that will best reflect your skill level, as the performance of these excerpts will show the judges how well you can prepare a piece of music . How well you perform is more important than what you perform. More advanced musicians will also need to prepare and perform a solo, of their choice, a maximum of two minutes. Remember to prepare appropriate scales and practices sight reading for your audition.
